Dear Champion Health Associates patients,

It is with mixed emotions I inform you that after 27 years with Champion Health Associates, I have decided to retire from full-time chiropractic practice. This letter is to inform you that as of May 31, 2024, I will no longer be a member of the Champion Health Associates team.

As many of you know, I suffered numerous injuries during an ATV accident in August of 2023. As a result, I am slowing my professional pace.

While I will no longer be a part of the fast paced and busy Champion Health Associates, I will continue to practice chiropractic on horses and humans on a part-time basis. I may be found at

Rocking G-P Chiropractic
Equisetic Chiropractic for Horses
77 Third Street, Suite 400
Monument, Colorado 80132
719-225-4949

I am happy to provide you with care through my new part-time practice. I will not be contracted with insurance plans, but there is the option to continue under my care on a private pay basis.

You may choose to continue your health care through Champion Health Associates. The team here will see to it that you are transferred to a fully qualified chiropractor and Active Release Techniques certified provider.

Champion Health Associates will house your medical records. Please reach out to the support staff, Jessica, Autumn, and Trinity, with a formal request.

I have enjoyed my decades of service with Champion Health Associates. I am pleased to have built a relationship with our patients and it has been a pleasure to participate in your health journey.

Sincerely,

A handwritten signature in black ink that reads "Gary R. Wood, DC". The signature is written in a cursive, flowing style.
